

FIM Hard Enduro World Championship
Supplementary Regulations
SEA TO SKY, KEMER/ANTALYA/TURKEY
10-12 OCTOBER 2024
IMN 412/06

September 19, 2024

ANNOUNCEMENT

The organizer, **SEA TO SKY 2024** will promote a round of the 2024 FIM Hard Enduro World Championship on behalf of the **TURKEY MOTORCYCLE FEDERATION**. The event will be held in accordance with the Sporting Code of the FIM together with the relevant appendices, these Supplementary Regulations and any final instructions approved by the FIM International Jury.

Supplementary Regulations

SEA TO SKY 2024

FIM Enduro World Championship License Holders competing for FIM Hard Enduro World Championship points in the above event are forced to act in accordance with:

- the Sporting Code of the FIM (incl. all appendices)
- Supplementary Regulations as following
- and any instructions by the Clerk of the Course and the FIM International Jury during the event

1) Event Organizer

Company- / Club Name: KEMER ENDURO MOTORCYCLE SPORT CLUB
Address: Yeni Akdeniz Caddesi No:41 KEMER/ANTALYA 07990
Tel. No.: +905323421021
e-Mail.: info@seatosky.com.tr
web site: www.seatosky.com.tr

2) Registration

All FIM World Championship contenders have to make an entry in writing by an “electronic” entry form available on the web site <https://www.seatosky.com.tr/Register/Create>

Registrations will become valid once the:

- championship fee / event fee has been received on the announced account
- the entry form has been signed, at Administrative Control on site
- the competitor has signed the possible disclaimers during Administrative Control

Non FIM Enduro World Championship License Riders:

All riders not affiliated to the FMNR need an endorsement (starting permission) from their National Federation (FMN).

3) Administrative Control (FIM only)

Administrative Control will take place on **10.10.2024** from **9AM-11AM** at [Paddock Area](#)

All competitors have to submit:

(Source: FIM HE WC Regulations 2024, 60.8.1)

- FIM Enduro World Championship License
- Starting Permission from their National Federation (FMN), if required
- Driving License (if public roads are used during the race)
- During Administrative Control, transponders and mounting instructions will be distributed (deposit)
- **GPS device** must be handed in by **latest Wednesday 09.10.2024 20:00**

Starting Numbers:

- Starting numbers will be handed out at the **Event Registration**
- Start numbers must always be attached to the motorcycles, this also applies to all training tracks. Numbers must be placed above the headlight and on the side panels (left/right)
- In the event that they are not well positioned, the race direction may disqualify the rider
- If damaged, it is the rider's responsibility to request new numbers from the organizer
- The number will remain the same throughout the entire event

4) Technical Control (FIM only)

Technical Control will take place on **10.10.2024** from **9AM-11AM** at [Paddock Area](#)

4.1) Marked Parts

All competitors have to submit their motorcycle prepared according to the **FIM Technical Rules Hard Enduro 2024**.

Following parts will be marked:

- Frame (right hand steering head)
- Crankcase (right or left side)
- Silencer (on the top)

Marked parts must be used throughout the entire competition and must be in their proper place at the final examination.

(Source: FIM HEWC Regulations 2024, 060.7, page 21-22)

4.2) Sound Control

Sound Control will be done based on "2mMax Method".

Sound limits are:

- ahead of race: target: 109.0 + 2.0 dB/A
- after the race: target: 111.0 +1.0 dB/A

(Source: FIM SOUND Regulations 2024, E 3, page 12)

Each rider or his mechanic can present a maximum of one (1) motorcycle and one (1) spare silencer. Should damage or deterioration occur to the original silencer it may be changed for the marked silencer without penalty.

For detailed information see FIM Sound Regulation 2024.

4.3) Street Legality / Tyres

The entire race takes place on private land or using only officially closed roads:

- motorcycles don't have to be street legal (no public roads are used during the race)
REMARK: public roads will be used to access start and finish locations
- must have a light mask mounted in the front
- Motocross and Enduro tyres are permitted, tyres shall be available to the public
- Trial tyres are strictly forbidden
- **Only one set of tyres (front and rear)** is allowed per day of competition. Only if there are safety concerns, the tyre can be changed after the confirmation of the technical director.

(Source: FIM Tech. Reg. HE 2024, 1.49, page 13-14)

5) Event Format

- Duration:** 5 days (3 days training and activities, 2 days racing (FIM))
- Accreditation:** Sunday – Wednesday See details **page 4/10**
- Format Prologue:** Beach Race, Super Enduro multi lap heat races, obstacles → See details **page 6**
- Format Qualification:** Forest Race, 45km fast hard enduro course, with checkpoints – **FIM Qualifying points**
- Format Main Race:** Mountain Race, 65km hard enduro course, with checkpoints – **FIM points** → See details **page 7-8**
- Track:** **Beach Race:** natural and artificial elements in a closed racetrack
Forest and Mountain Race: GPS track, tape/arrow marked, multiple checkpoints
- Checkpoints:** All riders are obliged to ride slowly through the checkpoint corridors to be noted and confirmed. Overtaking is not permitted.
- Tank points:** All riders must leave the paddock with a full tank of fuel. Before and during the race, the organizer will supply fuel to each competitor! **Refill yourself** – At the entrance sign, **ENGINE OFF** and push the bike onto the carpet. **Engine must be switched off at all times!** Park the bike on the environmental mat and take the fuel. Once filled up, **push** the bike off the carpet and only start your engine **after the exit sign**. Failure to follow this rule = 10-minute time penalty.
- GPS/Navigation:** **GPS devices are mandatory.** All competitors must hand in their GPS device by latest **Wednesday 09.10.24 20:00** at the GPS point in paddock.
Not handing in your GPS means no starting allowance!
- **Full batteries** – competitors' responsibility
- Competitors will receive their **own GPS** loaded with the racetrack map, in the morning before the race day at the **GPS point in paddock starting from 06:00-08:00.**
- The use of 2 GPS's per competitor is permitted.
- The competitor is responsible for handing in his GPS device at the finish or the GPS point in paddock. Not handing in the GPS or failing to provide a "complete recorded track" will result in penalties.
FIM riders will ride with an additional GPS tracking device supplied by the organizer.
GPS – Corridor of the racetrack is **50 meters** wide, or less, if it is marked with tape.
(See: FIM HEWC Regulations 2024, 60.7.3)

Assistance: See: *FIM HEWC Regulations 2024, 60.5.8, 60.5.9*

Training: No bikes are permitted on the racetrack before the official race start! Riding the track before the official start may be punished with disqualification! Training/bike testing is permitted only in the specially marked training area and only during specified time. (See timetable and info for training tracks). 2 Training tracks are available for bike-testing. Kemer training track and Canyon to canyon training track. Both tracks will be open for riding during pre-race days, **only with starting numbers**.

Riders Briefing: A detailed riders briefing is to be held every day, for the next race-day by latest 21:00. An online copy will be published on the website or sent to the riders in a newsletter.

5.6) Friday: Forest Race (Qualifying for Mountain Race) – FIM Qualifying Points

Format:

A GPS race from start to finish, on an extreme course with multiple checkpoints.

After 4 hours all checkpoints will be closed, and competitors will be ranked according to the checkpoints they have passed correctly during this time.

Race-Duration:

4h starting when the individual rider starts.

4h after the start of the last competitor all checkpoints will close.

Course:

The forest race stage is an extreme stage of 45 km. Safety on track is key! Obstacles can suddenly appear without warning! Be careful on all road crossings or gravel roads! Animals have right of way!

Marking/GPS:

Most of the course will be marked with tape and some sections will be marked with arrows.

GPS hand out in the morning from 06:00 – 08:00 at GPS point in paddock.

Checkpoints:

Competitors will pass through multiple checkpoints along the course. All riders are obliged to ride slowly through the checkpoint corridors to be noted and confirmed. Overtaking is not permitted.

Starting Procedure:

FIM Riders will start in the order of the result of the beach race, on their individual starting time. (See start list).

If an FIM rider has no result of the Beach Race, he will start on the back of all FIM riders.

TMF Riders will start in the order of the result of the beach race, on their individual starting time. (See start list)

Start time gap between riders:

FIM - 30 seconds

TMF - 15 seconds

Tank point: (1 time 1,5 L before start) details see tank point procedure above.

Outside Help:

No outside help allowed, no changing parts between paddock and start! Bikes may be transported by van to start/finish.

See: FIM HEWC Regulations 2024, 60.5.8, 60.5.9

Results:

The competitor **must** hand in their GPS at the finish or (if not possible at finish) at the GPS point in paddock! **NO GPS NO RESULT!** Riders will be ranked by the number of checkpoints reached in the shortest amount of time – within the race time.

Premature Stopping:

If it is decided that the race must be stopped, a **RED flag** will be displayed to the competitors at appropriate places on the course and the competitors stopped by a **RED flag**, will be sent back to the start line to restart laps. Restart order/procedure will be defined by the Clerk of the Course, based on the given circumstances.

5.7) Saturday: Mountain Race - (FIM Hard Enduro World Championship Race)

Format:

A GPS race from start to finish, on an extreme course with multiple checkpoints. After 7 hours all checkpoints will be closed, and racers will be ranked according to the checkpoints they have passed correctly during this time.

Race-Duration:

7h, starting when the **1st row starts**

7h after the start of the first competitor all checkpoints will close.

Course:

The Mountain race stage is an extreme stage of 67 km. Safety on track is key! Obstacles can suddenly appear without warning! Be careful on all road crossings or gravel roads! Animals have right of way!

Marking/GPS:

Most of the course will be marked with tape and some sections will be marked with arrows.

GPS hand out in the morning from **06:00 – 08:00** at GPS point in paddock.

Checkpoints:

Competitors will pass through multiple checkpoints along the course. All riders are obliged to ride slowly through the checkpoint corridors to be noted and confirmed. Overtaking is not permitted.

Starting Procedure:

Riders will start in the order of the result of the forest race.

Rows of 20 with a start interval of 2 minutes. First row will be started in a grid start with four rows of five riders.

Start procedure: 1 minute - **ENGINE OFF** – 30 seconds – 5 seconds – **red light OFF** – **START**

Tank point: Fuel will be given at 2 points within the race stage. In addition, 2 liters of fuel support will be given to those who do not have fuel for the return from the last checkpoint. Details see tank point procedure above.

Outside Help:

No outside help allowed, no changing parts between paddock and start! Bike may be transported by van to start/finish.

See: FIM HEWC Regulations 2024, 60.5.8, 60.5.9

Results:

The competitor **must** hand in their GPS at the finish or (if not possible at finish) at the GPS point in paddock! **NO GPS NO RESULT!** Riders will be ranked by the number of checkpoints reached in the shortest amount of time – within the race time. Riders will be categorized in classes by amount of reached CP.

The cp's competitors need to pass in order to get a medal are as follows;

Iron: Forest 2 CP, Mountain 1 CP **Bronze:** Forest 3 CP and Mountain 5CP **Silver:** Forest 6 CP, Mountain 8 CP **Gold:**All CP

Premature Stopping:

If it is decided that the race must be stopped, a **RED flag** will be displayed to the competitors at appropriate places on the course and the competitors will be sent back to the either start or paddock.

Further procedure will be decided by the Clerk of the Course, based on the given circumstances.
