Article 8 - ADMINISTRATIVE CHECKS, SCRUTINEERING AND BRIEFINGS

Administrative Checks Digital scrutineering:

Technical Scrutineering:

Wednesday June 4th - Place: In the **teams'** garages

Timetable: **9.00 am - 18.00 pm** according to the scrutineering timetable

Please respect your allocated times

Team Managers & Riders' Briefing:

Thursday June 5th from 6.30 pm to 7.15 pm - CIRCUIT, LOCAL 132

Mandatory briefing for all team managers and for riders who have not participated in a FIM World Endurance Championship round in 2025.

Article 8.1 – Pit allocation (stands)

The Pit allocation is subject to various criteria.

The Championship standings at the end of the 24 Hours of Le Mans will determine the priority order for the selection of the Pits.

In addition, permanent teams will have priority over teams registered only for the 8 Hours of Spa.

Since the number of Pits is limited, some Pits may have to be shared between two teams.

Article 9 - TIMEKEEPING UNIT (TRANSPONDER)

Competitors must install the rental transponder provided by the Organiser on the motorcycle. Rental transponder will be remitted by the timekeeping company (ITS EVENTS), during the Scrutineering

Must be installed not higher than 60 cm from the ground surface.

Please note that it may not be possible to record a time if the transponder is not mounted in a correct manner/position.

The team will have to give back the transponders to the timekeeping company (ITS Chrono) (1st floor of the Pit Building – Room 120) put at their disposal, either after withdrawal or at the latest 10 minutes after the end of the race, if the motorcycle has finished the race.

In the case of non-return of this equipment, the unreturned item will be deducted from the technical costs deposit.

Toutes les motos prenant le départ de la course doivent être équipées d'un GPS opérationnel (monté conformément aux instructions du chronométreur officiel).

Article 10 – STARTING PROCEDURE (« LE MANS » TYPE)

Start ceremony: the Competitors and the riders have to be available and absolutely respect the program of all the planned ceremonies by the Organizer (protocol announced in the Riders' and Team managers' briefing).

Article 11 - ASSISTANCE DURING THE RACE

If a team so wishes, it can ask for assistance for the rider and its motorcycle to be taken back in a vehicle provided by the organizers.

In that case, both will be dropped at a location to be confirmed during the briefing.

From this point, 2 people from the team are allowed to bring the machine back to the pits under a track marshal control.

His lap will not be counted in his end-of-race total. If several teams ask for such assistance following a problem involving a number of riders, the teams will be assisted in the order of the starting grid.

Vehicles will be available on the track for this use.

No other assistance than the one from the organizers will be permitted.

Article 12 – FUEL AND REFUELING

The fuel used must comply with FIM regulations..

Control of the refuelling systems:

The refuelling systems (**FIM Homologated**) will be checked by the scrutineers.

All refuelling systems will be obligatory checked on **Wednesday 4 June from 9.00 p.m. to 4.00 p.m.**

Should the refuelling system not have been approved by the FIM Technical Directors, the competitors will not be able to take part in the free practice sessions on Friday June 6nd.

Refuelling operations must comply with the FIM Endurance World Championship Regulations in force.

The storage of fuel in the stand may not exceed 60 litres (derrick content included).

It is strictly forbidden to smoke in front and the stands.

It is prohibited for the person assigned to the fire safety to wear official fireman uniform.

Lighting devices cannot be fixed on the support of the autonomous fuel tank.

Any electrical installation located at less than 3 meters from the autonomous pit tank must be anti- explosion. Only low temperature and anti-explosion lights are authorised, halogen lights are forbidden

Refueling System

Refer to article 2.3.15 of the 2025 FIM Endurance World Championship Regulations as well as to the « Refueling System », Appendix 09)

In the event of non-compliance, penalties may be imposed by the FIM EWC Stewards.

Article 13 - PRIZE-GIVING AND CUPS

Trophies and Cups will be presented on the Podium.

Article 14 – PROTESTS AND APPEALS

The protests and appeals will be formulated in accordance with the 2025 FIM Endurance World Championship, Cup and Trophy Regulations.

Article 15 - INSURANCE

By approving of the entry form, the riders' FMN of the rider certifies that he is personally insured in compliance with the FIM Code.

The organiser has taken out an insurance policy covering the liability of the riders in the event of accident (s) occurring during the Event (both the race and the practice sessions). A copy of the contract is available upon request. The organiser can not be held responsible for damages caused to a motorcycle, accessories or equipment through accident, fire or any other causes.

Article 16 - RELINQUISHING ALL RIGHT OF APPEAL AGAINST THE SPORTING AUTHORITIES

Independently of the FIM Sporting Code status, riders by the mere fact of their participation, waive their rights of appeal against the organisers, its representatives or employees, whether through arbitration, law courts, or any other means not specified in the FIM Sporting Code, for any damage to which they may be exposed as a result of any act or omission committed by the organiser, his officials, representatives or employees, in the application of these rules, or any rules which might be brought into effect at a later date, or for any cause which may be a result of this.

Article 17 - POSTPONEMENT/Cancellation of the Event

Should circumstances or safety reasons demand it, the 8H Spa EWC Motos Event could be postponed or cancelled. For this the PHA organiser will not be held responsible. Should this occur, the association undertakes to refund only the entry fee.
